9/29/75 HMBaskett to Mr. Callahan memo attached 27 pp report with enclosures, from FBI Dir to AG
Shuffle some interviews, esp gambling

Report is careful to avoid confusions, reconciles no disagreements, reflects no effort to determine truth where there is conflict and has nothing to say about the essential and proven facts that

a) Oswald did go to the DFO;

b) did leave a letter;

c) the letter was destroyed;

d) nobody said a word during and after the investigation by and for the Commission;

e) many DFO employees of all rank were aware and silent.

No disciplining is suggested or referred to

There is no reference to any taping recording or stenographic transcripts of the interviews yet the FBI tapes radio and TV shows and makes transcriptions an analyses.
